

EXPLORING MYSTERIES *Lake Forest* OF THE MIND *Brain Awareness Week*

Monday
November 10

4:00-5:00 PM
KEYNOTE LECTURE
IN PSYCHOLOGY
Meyer Auditorium

Dr. Joan Chiao
Assistant Professor of Psychology,
Northwestern University

Do Genes Influence Culture?

Sponsored by Psi Chi

5:30-7:00 PM
PUBLIC OUTREACH
Drugs & the Brain
Stuart Commons

FIYS106 Student Presenters:
Ms. Daniella Brutman'12
Ms. Grace Dudlicek-Bright'12
Mr. Andrew Glass'12
Ms. Natasha Pouloupoulos'12
Mr. Naeem Walji'12

FIYS106
Medical
Mysteries

Tuesday
November 11

8:00-9:20 AM
TEACH-IN: Brain Repair 101
Johnson 200

BIOL480 Senior Seminar Presenters:
Ms. Grace Dunford'09
Mr. Brian Kinsman'09
Mr. Max Meltser'09
Ms. Samantha Pusateri'09

11:00AM-1:30 PM
BRAIN ANATOMY 101
Johnson 215

Hands-on! Join in the Fun!
Visit the Microscopic World of Neurons!
Witness Sheep Brain Dissections!
Exhibits Include:
How did the Brain Evolve?
How do We Sense, Integrate & Act?
How do We Think & Move?
How does the Brain Control Sleep?
How do Drugs Act on the Brain?

6:30-8:35 PM
FACULTY FORUM
"Brain, Mind & Behavior"
Meyer Auditorium

Faculty discuss experiences & scholarship that illustrate the importance of studying neuroscience & its interdisciplinary nature.

6:30 pm: A Student Q&A with Prof. Karen Kirk (Biology) on personal recovery from stroke
7:15 pm: Prof. Steve Tammelleo (Philosophy)
7:35 pm: Prof. Anne Houde (Biology)
7:55 pm: Prof. Stuart Wick (Physics)
8:15 pm: Prof. Matt Kelley (Psychology)

Wednesday
November 12

1:00-2:20 PM
TEACH-IN: Stem Cell 101
Johnson 200

BIOL480 Senior Seminar Presenters:
Ms. Alexandra Ayala'09
Ms. Daryn Cass'10
Mr. Michael Fiske'10

4:15-5:15 PM
KEYNOTE LECTURE IN
NEUROSCIENCE
Meyer Auditorium

Dr. John Kessler
Davee Professor & Chair of Neurology
Northwestern University Feinberg
School of Medicine

Stem Cells & Nanotechnology in the Treatment of Neurologic Disease

Sponsored by Eukaryon

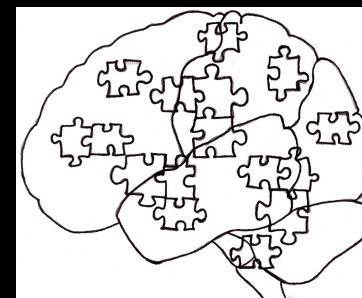

5:30-7:00 PM
PUBLIC OUTREACH
Sleep & the Brain
Stuart Commons

FIYS106 Student Presenters:
Ms. Kathleen Gillespie'12
Ms. Kristina Johnson'12
Ms. Saajidha Rizvydeen'12
Ms. Shabana Yusufishaq'12
Ms. Madhavi Senagolage'12

Thursday
November 13

8:00-9:20 AM
TEACH-IN: Addiction 101
Johnson 200

BIOL480 Senior Seminar Presenters:
Mr. Ray Choi'09
Ms. Stephanie Levin'09
Ms. Nicole Fields'09

5:30-7:00 PM
PUBLIC OUTREACH
The Thinking Brain
Stuart Commons

FIYS106 Student Presenters:
Mr. Pascal Accoh'12
Mr. Riley Kloss'12
Mr. Tucker Ryckman'12
Ms. Reema Upadhyaya'12

Friday
November 14

7:00 PM
Campus Movie & Panel
The Diving Bell & The
Butterfly
McCormick Auditorium

Faculty panel bookends the show:
Moderated by Dean Janet McCracken,
and including
Prof. Josh Corey (English)
Prof. Shubhik DebBurman (Biology)
