

LAKE FOREST
COLLEGE

**You're
not just
going to
college.**

**You're
going to**

make it.

Sure, you're going to learn a lot, make new friends and have a ton of fun. But what you're really doing is getting ready for the big world out there. You're going to find out what you're really good at and what you love doing, and you're going to make a career of it.

Make yourself at home.

A. Lillard Science Center

Our state-of-the-art, \$43 million teaching and research facility, opened in 2018, is a hub for interdisciplinary and collaborative student-faculty research.

B. Sports And Recreation Center

Lake Forest College supports 25 varsity sports teams, including the recent addition of Women's and Men's Lacrosse. 50% of students participate in intramural, varsity, or club sports.

C. Lake Forest in the Loop

A 10-minute walk to the train delivers you to our residential campus in Chicago. Try out big city life just 30 miles from main campus—live there for a semester, take classes, and do an internship.

D. Career Advancement Center

Every student is assigned a career advisor before they set foot on campus. More than 95% of our graduates have a job, graduate school, or other chosen opportunities lined up within six to nine months of graduation. And you'll be connected to Princeton Review's #12 Best Alumni Network.

E. Patterson Lodge

At our Financial Aid Office, you'll discover that a stellar education is reassuringly affordable. We award up to \$30,000 annually in merit-based scholarship, we are test-optional, and we provide some form of financial aid to over 90% of our students.

F. Mohr Student Center

This is the main hangout of our 1,570 students, representing 43 states and 85 countries. Join new friends for classic favorites and new tastes at the "Caf", play some pool, or catch a game on a big screen TV.

G. Lake Forest Beach

A 10-minute walk from campus puts you on a beautiful stretch of sandy Lake Michigan beach. Play a pick-up game of beach volleyball, catch the sailing team practicing, have a barbecue, or just take in a gorgeous sunrise.

“At Lake Forest College, you really learn yourself. You build your own story.”

*—Devin Tyler
Class of 2018*

**LAKE FOREST
COLLEGE**

“One of the things I love about this place is that we have a culture of a double major. You can have a passion major and a practical major. At a place like this, it seems inherently possible.”

*—Matthew Kelley
Professor and
Chair of Psychology,
Chair of Neuroscience*
