HEALTH PLAN OPTIONS

Lake Forest College is pleased to offer three medical plans to choose from:

- Choice Plus.** This traditional PPO plan has a copay for office visits, a deductible for other types of care, and covers eligible services at 80% after the deductible is met. Preventive care is covered at 100%. Prescription drugs have a copay based on the type of prescription filled.
- Core PPO Network.** This plan provides the same benefits in and out of network as the Choice Plus PPO plan, but with more focused narrow network of care providers.
- High Deductible Health Plan with a Health Savings Account.** This plan has the same network of providers as the Choice Plus PPO plan and includes an individual Health Savings Account (HSA) that will be partially funded by the College. Preventive care is covered at 100%.

HEALTHCARE BLUEBOOK & FREE PRESCRIPTION BENEFIT

HEALTHCARE BLUEBOOK – PRICE TRANSPARENCY TOOL

Employees and their family members who are enrolled in the College’s medical plans have access to the Healthcare Bluebook, an online process comparison tool for health care services, such as imaging, elective surgeries and more. This is an added healthcare benefit to help you shop for care, compare facilities, save money on healthcare services, and earn rewards from \$25 - \$1,500.

The tool ranks providers in a given geographical area in terms of quality and affordability. Healthcare Bluebook allows you to shop for procedure, compare facilities and their pricing, and find the best quality for medical services, all while saving money.

Healthcare Bluebook also provides detailed information on the quality of common inpatient procedures to help you to easily identify and select a facility that has a high-quality rating.

PRESCRIPTION BENEFIT FOR MAINTENANCE MEDICATIONS AT \$0 COST

The College will continue to offer certain maintenance medications to employees and eligible dependents on the medical program at \$0 copayment to help you save time and money with your prescriptions. Through the Rx ‘n Go & Rx ‘n Go Beyond programs, you have access to 1,300 generic and insulin medications as well as 150 brand name medications all at no out-of-pocket cost to you! Members on the Choice and Core PPO plans have access to the full list of medications and members on the Choice Plus HDHP/HSA will have access to those 800 preventive medications still for free.

How do I get my generic medications for free?

- 1 **Check Medication Availability:** Go to rxngo.com to check if your generic or insulin medication will be covered by your plan

HEALTH SAVINGS ACCOUNT ADVANTAGES

Is a health savings account right for me?

Like any health care option, an HSA has advantages and disadvantages. As you weigh your options, think about your budget and what health care you are likely to need in the next year.

If you are generally healthy and want to save for future health care expenses, an HSA may be an attractive choice.

Or if you are near retirement, an HSA may make sense because the money in the HSA can be used to offset costs of medical care after retirement.

Or if you think you might need expensive medical care in the next year and are able to meet the higher deductible, an HSA account can help maximize your tax savings.

Contributions made to the HSA are not available to those members who are enrolled in any part of Medicare, or other disqualifying coverage.

If you are covered on the High Deductible Health Plan (HDHP), but you are also covered on another group health plan (such as your spouse's group plan) that is not an HDHP, you would also be ineligible to accept or make contributions to an HSA.

An HSA is not available to employees who are enrolled in a spouse's medical spending account (FSA), unless the spouse's medical FSA is a limited medical FSA.

How much can you put in the health savings accounts?

Maximum contributions are \$4,150 for single coverage and \$8,300 for family coverage for 2024 (employer and employee contributions combined). If the employee is age 55+ they can contribute an additional \$1,000 into their HSA account. The amounts contributed by Lake Forest College (\$500 for individual, \$750 for employee plus one, and \$1000 for family) are included in these annual totals.

Lake Forest College employer contribution will be provided in two equal installments in January and June.

Your Health Savings Account will be administered by Optum.

TOP REASONS TO HAVE AN HSA

Tax Saving & Earned Interest—Contributions are tax-deductible and earn tax-free interest.

Portability— You own your account, so even if you change jobs, your HSA funds are yours to keep.

Affordable Health Coverage— Use the HSA to cover 100% of out-of-pocket costs for routine medical expenses, such as office visits, lab test, and prescription medications.

Reduced Insurance Premiums—The cost of coverage under the HDHP plan is lower than the Choice Plus PPO plan.

Long Term Savings—Contributions to your HSA accumulate and roll over year-to-year with no limit, which allows the account to grow tax-deferred.

Retirement Bonus— After age 65, funds may be withdrawn for any reason with no penalties. (If used for non-medical purposes, however, taxes will be imposed.)

Safety Net— An HSA has no “use it or lose it” restrictions, so balances can be built up to use for major medical events.

Coverage for the “Extras” - HSA funds may be used to pay for services often not covered by a medical plan, including dental and vision expenses.

Empowerment—Take control of your health care decisions, including which providers you want to use, to ensure your health care dollars are spent wisely.

How do I use the HSA to pay for medical care?

It is rather simple. Here are the steps:

1. You and/or Lake Forest College puts money into your HSA.
2. You or a dependent receives medical services.
3. A bill for medical services is submitted as a claim to United Health Care.
4. You receive an Explanation of Benefits for the service, which will reflect the amount due to the provider.
5. At this time you can choose to:
 - Use your HSA funds to pay the provider directly for the amount due

FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Accounts allow you to set aside money to pay for eligible expenses with tax-free dollars. Participants **must enroll annually** for the plan year.

Your choices:

1. **Healthcare Flexible Spending Account:** Use this account to cover the cost of health, dental, vision and hearing expenses for you and your dependents which are considered eligible FSA expenses. You may contribute up to \$3,050 per year.

Eligible healthcare FSA expenses include:

- Deductibles, coinsurance, and copays
- Prescription drug copays
- Over-the-counter medicine, if prescribed by a doctor
- Medical care items that are not prescription drugs, such as equipment (crutches), supplies (bandages and contact lens solutions), and diagnostic devices (blood sugar testing kits)
- Dental expenses, including orthodontia
- Vision expenses, including eye exams, glasses, and contact lenses
- Hearing expenses, including hearing aids and exams
- Mental health expenses (does not include marriage counseling)
- Orthopedic expenses
- Weight loss programs (if medically necessary)
- Medical expenses for certain procedures not covered by the plan, such as laser vision correction

2. **Dependent Care Spending Account:** Use this account to cover the cost of dependent care while you work. You may use this for expenses for the care of a child under age 13 or a disabled spouse, child or parent. If you are married, your spouse must be employed or attending classes full time in order for you to use the Dependent Care Spending Account. You may contribute up to \$5,000 per year per household to this account or \$2,500 per year if you are married and file your taxes separately.

Eligible dependent care FSA expenses include:

- Child or adult care center that complies with State and Local regulations (not including nursing homes)
- Sitter inside or outside the home
- Day care during school vacation, provided it is not primarily for educational purposes
- Nursery school, even if the school provides educational services
- Relative who cares for eligible dependents, as long as that relative is not your dependent and is age 19 or older

DENTAL PLAN BENEFITS AND FEATURES

Delta Dental PPO Plus Premier plan includes the following feature:

- **Enhanced benefit program** offers additional coverage for individuals who have specific health conditions (including pregnancy, diabetes, high risk cardiac conditions, and suppressed immune systems) that can be positively affected by additional oral health care. You will maximize your benefits by receiving care from a Delta Dental PPO or Delta Dental Premier network dentist.

Visit www.deltadentalil.com and click Provider Search.

Example of your copayment with Delta Dental network dentists and non-network dentists:

- Delta Dental PPO: Lowest out-of-pocket cost and network protection.
- Delta Dental Premier: Higher out-of-pocket costs than PPO, but may be lower than non-network and network protection.
- Non-network: You may have the highest out-of-pocket costs

** Delta Dental Premier dentists accept payment based on the lesser of the submitted fee (their usual fee) or Delta Dental’s maximum plan allowance. Premier dentists may not charge you for costs exceeding the maximum plan allowance.

*** Non-network dentists (non-Delta Dental PPO/non Delta Dental Premier) do not agree to accept Delta Dental’s allowed fees as payment in full; payment is based on the lesser of the submitted fee (their usual fee) or Delta Dental’s maximum plan allowance. These dentists can charge you for costs exceeding the maximum plan allowance.

DENTAL PLAN BENEFITS AND FEATURES

Delta Dental HMO

Similar to a medical HMO plan, Delta Dental HMO plan is a dental managed care plan (DHMO) with its own network of dentists. Under this plan only one panel dentist may be chosen for you and your covered dependents. At the time of enrollment, you must decide which dental provider you and your family will use. You may change to a different panel dentist at any time prior to the 21st day of any calendar month. Your new selection will become effective on the first day of the following calendar month.

RESOURCES FOR MEDICAL PLAN PARTICIPANTS

Register on www.myuhc.com with your UHC member ID (or SSN) and College's group plan (#705611) for on-line access to your health plan benefits.

Through myUHC.com, you can:

- Locate network providers anywhere in the United States.
- Order additional ID cards and/or print a temporary ID card.
- Review and manage your claims.
- Use the treatment cost estimator to estimate or compare provider fees for medical services in your area.
- Set up and manage a personal health record for you and your family members.

myHealthcare Cost Estimator: Through this online tool you can learn more about a procedure and compare treatment options, select a quality provider for a procedure, quickly estimate out-of-pocket costs for specific procedures, and locate providers based on geographic search criteria.

Health4Me Mobile App: Download the free Health4Me Mobile App to access your benefits and claims and locate network providers while you are on the go.

Health Pregnancy Program: If you are starting or adding to your family, enroll in the Healthy Pregnancy Program for 24/7 access to nurses, and a phone call from a care coordinator during your pregnancy and about four weeks after your baby is born to see how things are going and answer questions you may have.

EMPLOYEE ASSISTANCE PROGRAM

Help When You Need It

The Employee Assistance Program (EAP) is a free, confidential program to assist faculty, staff and family members in successfully dealing with the challenges and demands of daily living.

This valuable benefit is available to all faculty and staff and their family members. Call/text Perspectives EAP at 1.800.456.6317. On line chat feature at www.Perspectivesltd.com. They're always available and ready to talk about any question or concern.

RETIREMENT PLAN

The College's Defined Contribution Retirement Plan is available through TIAA to full-time faculty and staff after two years of service. A year of service is defined as 1000 hours per fiscal year. The College contributes 9% of salary for employees making \$59,020 or less, 8% of salary for those making \$59,021 to \$175,100, and 7% for those making more than \$175,100.

Invest in your future by taking advantage of the College's voluntary retirement plan option. The Supplemental Retirement Annuity Plan (SRA) is an unmatched, tax-deferred plan that employees can begin contributing to immediately upon hire. Contributions are made on a pre-tax basis based upon a percentage or a flat dollar amount.

Employees can enroll or change their participation in this plan at any time. An online enrollment is available through the ADP self-services.

2023 SRA Contribution Limits (limits for 2024 haven't been released by the IRS yet)

- \$22,500 for participants under 50 years of age
- Special catch-up provisions are available for employees age 50 and older. If you are, or will be, age 50 or older by December 31, 2023, you are eligible to contribute an additional \$7,500 into the plan for 2023.

Enrollment or changes

You may change your investment elections, obtain balance information and conduct a variety of other transactional activities by calling TIAA at 1-800-842-2252. Or visit www.tiaa.org.

LIFE AND DISABILITY INSURANCE

Basic Group Life Insurance Plan—The College automatically provides you with Basic Life Insurance equal to one-and one-half (1 1/2) times your annual salary. Employer provided group term life insurance in excess of \$50,000 for employees is considered by the IRS to be a benefit that is taxable as income. This means that employees who are covered by College's provided life insurance benefit of more than \$50,000 must pay taxes for the "value" of the excess benefits.

Long Term Disability Insurance Plan—Base benefits are 66 2/3% of an employee's annualized gross base salary, with a maximum benefit of up to \$10,000 per month. This coverage is provided by the College at no cost to the employee.

REGULATORY BENEFITS NOTICES

Lake Forest College is required to provide you with important information regarding eligibility and enrollment, benefit coverage, COBRA rights, HIPAA privacy rules, and whether the College's prescription drug coverage qualifies as creditable coverage for Medicare. **For full regulatory benefit notices, please visit the Employee Benefits web page.** You may find it helpful to review this information as you make your benefits enrollment decisions.

Continuation Coverage Rights Under COBRA

This general notice informs group health plan participants of their rights under federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), to COBRA continuation coverage—a temporary extension of group health plan coverage. COBRA continuation coverage is available to group health plan participants when they would otherwise lose their group health plan coverage.

Health Insurance Marketplace Notice

The Patient Protection and Affordable Care Act (PPACA) requires most individuals to have health insurance coverage or otherwise pay a tax penalty. The goal is to ensure that individuals have access to affordable health insurance—whether through their own employer, a family member's employer, an insurance company, or the government. The Health Insurance Marketplace was established by the federal government in connection with the PPACA. You can access information about the Health Insurance Marketplace and the PPACA's requirements for individuals and families at www.healthcare.gov or 1-800-318-2596.

HIPAA Privacy Notice

Lake Forest College respects the confidentiality of your health information and recognizes that information about your health is personal. The College's Employee Welfare Benefit Plan, which encompasses its group health plan and health spending plans, Employee Assistance Program, is required by law to protect your health information and to inform you of its legal duties and your rights regarding such information. This notice explains how, when and why these plans typically use and disclose your health information and your privacy rights regarding such information.

HIPAA Special Enrollment Rights

In accordance with the requirements of the Health Insurance Portability and Accountability Act ("HIPAA"), you have the right to enroll in the College's group health plan under a "special enrollment" provision if you acquire a new dependent or if you decline coverage under the College's group health plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Newborns' & Mothers' Health Protection Act of 1996

Group health plans generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, the group health plan may pay for a shorter stay if the attending provider, after consultation with the mother, discharges the mother or newborn earlier. The group health plan may not require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours for a cesarean section).

Notice of Creditable Coverage

This notice, which applies to individuals who are entitled to Medicare benefits, provides information about the prescription drug coverage included with the College's health care benefits and the options that are available under Medicare's prescription drug coverage. This information is provided to assist such individuals in declining whether or not to enroll in a Medicare prescription drug plan.

Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or the Children's Health Insurance program (CHIP) and you are eligible for the College's health insurance coverage, some states have premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs.

Women's Health and Cancer Rights Act of 1998

As required by the Women's Health and Cancer Rights Act of 1998, the College's group health plan provides benefits for mastectomy, including reconstruction and surgery to achieve symmetry between the breast, prostheses, and complications resulting from a mastectomy (including lymphedema). If you receive benefits under your health plan in connection with a mastectomy, benefits are also provided for the following services, as you determine appropriate with your attending physician:

- All states of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such services are the same as required for any other covered health services under your health plan.
