HOUSING CONTRACT CANCELLATION POLICY

A resident may request a release from their Housing Contract. If the request is approved by the Office of Residence Life, residents have up to 48 hours to remove all personal belongings and follow the official check-out process. Requests are primarily considered on the basis of a change in enrollment status, a change in financial situation since signing the contract, or a medical or psychological need that is unable to be accommodated on campus. Requests for other reasons may be considered with supporting documentation.

The signing of a lease for a non-college-managed residence will not be recognized as a valid cause to cancel this housing contract.

If your application to be released from your Housing Contract is approved, your meal plan will also be cancelled. If you wish to purchase a commuter meal plan, please contact Parkhurst directly.

Contracts are signed for a full-academic year.

- Housing Contract Cancellation Applications received prior to June 1 and approved by Residence Life incur no financial penalty.
- Housing Contract Cancellation Applications received between June 1 until contract start date (date student checks in or the first day of classes, whichever comes first) and approved by Residence Life will result in a \$750 cancellation fee.
- Housing Contract Cancellation Applications received after the contract start date and approved by Residence Life will result in a \$750 cancellation fee plus room and board charges in line with the College's published refund schedule, which is available online: <https://www.lakeforest.edu/offices/business/students/refunds.php>.
