

The Traditions workstream is currently working on two actions plans:

- 1) Existing traditions (both formal and informal)
 - a. Identifying traditions (formal and informal)
 - b. Identifying key stakeholders in those traditions
 - c. Meeting with key stakeholders to formalize, elevate and solidify the traditions
- 2) New/Returning Traditions
 - a. Discussing and determining capacity for potential new or returning traditions

Workstream members are scheduling meetings with current stakeholders and moving forward formalizing, elevating, and solidifying the traditions.

Below are some examples of traditions (old, new, and returning) and key stakeholders:
